SAMMONS PRESTON WRAPAROUND HINGED KNEE BRACE

The Wraparound Hinged Knee Brace is designed to provide reliable support while maintaining a low-profile fit that won't feel bulky under clothing. Its integrated hinges deliver targeted medial and lateral stability to help control knee motion, while the wraparound design allows for easy application and a secure, adjustable fit.

Key Features:

- Indications for use: supports weak, injured, or arthritic knees
- Neoprene with an open popliteal area in the back of the knee
- Hinges are removable if desired
- Wraparound design with front closures allows for hassle-free application
