DRIVE NITRO SPRINT ROLLATOR

The sleek Nitro Sprint Rollator is designed to provide comfort, convenience, and control at every turn. The rollator sports a unique braking system that reduces tire wear and an integrated slow-down brake for safer maneuverability over diverse terrain. Other features include multiple storage bag mounting points.

Key Features:

- Frame provides added strength and durability with 350lb weight limit
- Braking system reduces tire wear and allows easy replacement of parts
- Slow-down brake controls speed when navigating diverse terrain
- Contoured backstrap with window for improved comfort and visibility
