DRIVE AIR-GO WALKER

The Air-Go Walker redefines mobility—delivering comfort, ease, and freedom beyond traditional walkers. It's comfortable on the hands, stable underfoot, and ready when it's time to rest. With oversized, cushioned Airgonomic™ handles, water-dispersing treaded wheels, and a padded mesh seat, it gives users both freedom of movement and confidence in every step

Key Features:

- Oversized grips with air cushioning
- Open-and-go mesh seat for quick rests
- Curved seat allows comfortable walking
- Scissor fold for compact storage and transport

SKU	Item Name	Specifications
7037873	Air-Go Walker	Sapphire
